***THIS IS NOT INSURANCE.** The Restoration Smiles Membership Plan provides discounts to plan members for a complete range of dental services provided by Restoration Smiles. Restoration Smiles Membership Plan members are obligated to pay for their dental services at the Plan rate. This program is non refundable and not transferable to another person. This plan's benefits are automatically terminated upon your activation of a PPO dental insurance plan. As a parting gesture we will give you a coupon for one free dental cleaning good for twelve months.

For our patients and families looking for a better way to finance the ongoing dental care they need, Restoration Smiles is proud to offer our Smile Membership Savings Plan! This private, in-house savings plan is designed to help individuals and families save on the dental care they need for their best oral health.

Each investment made in the Smile Membership Savings Plan will more than pay for itself over time. Our dental team designed the plan to ensure each patient and family are receiving the best possible pricing for the quality dental care they need. This is a private, in-house savings plan and it is not a dental insurance plan. It is only valid at our dental office in Tomball, TX.

Introducing the Best Membership Plan in the Industry for Individuals and Families who don't have a PPO Dental Insurance

The restoration Smiles Membership plan is non-refundable and non-transferable. Any enrolled member is responsible for the initial fee and any additional fees for each family member on the plan. Immediately upon completion of the first year, the discount plan will auto-renew at the annual rate.

*Each additional family member may be subjected to an increased initial and renewal fee of \$199 upon periodontal diagnosis.
